

## MEMORIAL INSCRIPTION RECORDING

Volunteers from the Society have been recording memorial inscriptions for the last ten years. For each parish we also record any nonconformist graveyards and, sometimes, older parish cemeteries, but not normally newer council cemeteries. We publish a booklet of memorials and graveyard plan/plans for each parish recorded, but careful checking and editing takes time. Other reasons may also hold up publication, so please be patient.

The big area of the county so far virtually unrecorded lies to the south west of Northampton and includes parishes in the Towcester, Brackley and Daventry areas. New volunteers are always welcome to assist at our recording sessions.

**Additional details can be found on the Society's website at [www.northants-fhs.org](http://www.northants-fhs.org)**
