MARRIAGE DATABASE

Marriage Database

In 2002 a project was started by the society to transcribe all the Marriage Registers covering the period from 1754 to 1837 deposited at the Northamptonshire County Record Office. The society would like to thank the Record Office for their assistance and all our volunteers for the work that they have undertaken. Update number 4 is now complete and consists of 18,360 marriages. Whilst the project is not yet complete the total database presently contains 79,247 marriages from 235 different parishes. A list of the records included in this update is contained in this leaflet. Details of how to obtain a search from this database can be found in 'Footprints'

Each entry contains where and when the marriage took place, details of both the Bride & Groom together with their condition, place of residence and occupation when given. Also stated is whether they were married by Licence or Banns, the names of the witnesses and other miscellaneous information when contained in the register.

We believe the database is best used to find individual marriages rather than to do blanket searches for a given name. Because an index of all the names contained in the marriage database is included in the society's Personal Names Database (PND) those wishing to do a blanket search would be best advised to search the PND first.

Whilst every effort has been made to transcribe the registers accurately no responsibility can be accepted for any errors or omissions contained in the transcripts. The researcher is always advised to check the original records to verify entries in the database. It must be remembered that some of the registers are in poor condition and many have entries that are difficult to read.

Searches can now be made from the database and printouts obtained. The cost for a search is £1.50 for members (£2.50 for non members) which includes the first page of any print out (i.e. up to 9 entries). Further entries are charged at £1 per page of up to 9 entries. A page will contain up to 9 entries. An A5 self addressed envelope should be included with each request which should be stamped (UK) or 3 International Reply Coupons enclosed (overseas).

Please apply to: Mr Peter Wilkins,

19 Pound Lane, Bugbrooke, Northants NN7 3RH

Cheques should be made payable to N.F.H.S.. If preferred we can accept a limited cheque marked '**Not to exceed £x**' (in sterling only), we can then fill in the exact amount when we send you the print out. Or contact us first for a quotation or advice.
