

Important notice

Hello everyone,

Below is an important notice for anyone who plans to visit the Records Office in April or May to carry out their own research. It will not impact on volunteering, other than possibly if you want to do your own research.

Due to Staffing levels during April and May 2019, the Northamptonshire Records Office may be required to provide a reduced service at short notice. Please note that on 'reduced service' days only documents that have been pre-ordered can be viewed. In order to avoid disappointment, we therefore encourage you to pre-order documents five working days before your intended visit (up to a maximum of eight documents per visit).

Those travelling to visit the Records Office are advised to check the Service's Facebook page. If the Office needs to provide a reduced service a notice will be posted on the Facebook page by 8:45am that morning.

We apologise for any inconvenience this may cause.

(You can view our Facebook page, even if you don't have a Facebook account: <https://www.facebook.com/NorthamptonshireArchives/>)
